

Agent Hugo

Title: Agent Hugo Lemon Twist
Format: Wii (2008) , PS2, PC
Release Date: Christmas 2007
Publisher: NDS

Summary

Once again Hugo returns as the ever resourceful secret agent, under the watchful eye of Mrs Alltobright leader of R.I.S.K. (Risky Intelligent Spy Knights). HoneyBunny and W make up the rest of the team, together they will help him on this his most important mission.

Dr. Hypno has embarked on a dastardly plot to take over the world. He intends to hypnotise everyone and everything on earth. Dr Hypno has built a hypno-satellite, which he plans to launch into space from his secret island fortress, which is guarded by his hyper-mad-hypnotised minions.

Good luck Agent Hugo...this time you'll need it.
